“ Debbie was a great lady and I was glad to have known her. She was caring-funny and made everyone around her feel comfortable. Even though we had retired we still kept in touch with our Christmas updates. She was a friend indeed and now she is an angel watching over us as she loved watching over her family. Debbie is gone but will never be forgotten. Keep strong Kurt you are in my prayers. Pat Barr

“ Evie and I have had the pleasure of Debbie and Kurt's friendship for more than 40 years. It seems impossible that she is no longer with us. However, our wonderful memories will last forever. Debbie was a kind, generous, caring, intelligent person with a great sense of humor. She is and will be missed.

“ "Aunt" Debbie and "Uncle" Kurt, as my brothers and I call them, have always been dear friends of my parents, Toni and Frank. I'll always hold Aunt Debbie's laugh and sense of humor in my heart. She was a dear friend to my mom for 64 years and I'll never forget that. May she rest in peace!

“ My husband and I have been friends with Kurt and Debbie for many years. Words cannot describe Debbie's vitality and gifts. Her sense of humor was wonderful.

Debbie always was interested in helping and showing compassion for our friends and family. She enjoyed projects at home and absolutely took the best care of her pets. Debbie could do it all. I feel blessed to have had her as my friend. I will forever keep her smile in my heart.

Love
