“ My sincere sympathies to the VanderVeur family. Kathy was a very intelligent, patient and kind person. Kathy hired me at S&B over 17 yrs. ago. During those years, I witnessed how she successfully managed to stay on top of all the numerous changes and always contributed her time, loyalty, and intelligence in every area that cultivated to the success of our firm. She was “a silent hero” who always went out of her way to help anyone who asked for assistance. It was a real honor working with Kathy because I learned so much from her. I will miss her calm demeanor and beautiful smile. Rest peacefully my friend...God Bless You.

“ My heartfelt condolences to the Vander Veur family. I will greatly miss my dear friend and "big sister" of 25+ years. A true friend who always told me what I needed to hear vs. what I wanted to hear, and a great listener wise beyond her years. Kathy's legacy of unwavering kindness, compassion and grace are an inspiration to all who knew her in this life. She will be forever in my heart as I cherish the many fun memories of the Devon Horse and Dressage shows, the Beaux Arts Balls, and "last calls" at the Guard House...I'm so blessed to have known Kathy and honored to be her Friend. Peace to my awesome friend and her family.

“ Kathy was a very special person, kind, sweet, loved animals. Kathy and i shared our love for horses, we used to say, " If your not talking horses, we are not interested". Im going to miss our barn time and coffee talks.

“ Kathy was a dear friend and I feel privileged to have known her. We loved our animals and she would come to my house to visit Spike "Her Boyfriend" as she called him one of my rescue cats. I will miss her so much and my heart is broken but I know she will now be at peace and keeping an eye out for all of her animal friends. Love you Kathy and you will always be in my thoughts and prayers.

“ Kathy was such a sweet lady and she was always willing to help you if you needed it. I will remember we were always looking for the place that had the happiest people. We were going to move there. It helped that all the places were not in USA. I will miss her laugh and smile. She brought a lot of love into the world. She will be remembered as the kind and private lady she was. My prayers and thoughts are with her loved ones

“ Many of times I walked into her office and asked, "hey Ms. V., do you have change of a \$20? We all know how private she was, and of course her response was, "yes, but don't tell everyone". HA! HA! HA! You are going to be missed Ms. V. Another angel looking over us, and you know we can't have enough of them. You were the real deal! God Bless The Vander Veur family!!!!

Love ya,

Gayle

“ My sincere condolences to The VanderVeur family. A jewel and kind-hearted friend of 13 years has now transitioned. I spoke with Kathy last Wednesday and she shared that she was truly at peace and just wanted to rest. Well, Kathy..... 5 days later your pain was gone and your wish was granted. My friend, thanks for allowing me to be with you to the end. You'll be missed dearly.

Love you much, Michele a.k.a. Chele Belle & Sunshine
