“ *Since I was a born, my Aunt Adele and my Uncle Anthony have been an incredible inspiration to me all my life.*

I will miss the other half of our family relationship with the passing of my caring and thoughtful Aunt who never had a complaint in the world but always cared about everyone else but herself.

She never missed a birthday or a Christmas gift or card for myself, wife and son Michael.

We will miss her dearly!

“ Our hearts are deeply saddened with the passing of our precious cousin Adele. Our prayers and thoughts are with Tony, Anthony, Angela and family.

A cherished memory we have concerning Adele was when we (Carol & Joann) would visit Adele and her mother in South Philadelphia. Adele was going on a date with Tony and we would gaze at her as she applied her makeup. She really didn't need any makeup because she had natural beauty. She had a gentle, sweet spirit and her laughter was contagious! She was strong in her faith and she is now in Heaven in the presence of her Lord and Savior Jesus Christ.

*With sincere sympathy,
Cousins Gary & Carol Ruff
and Joann Dangillo*

“ I met Adele on the boardwalk at the beach in Kennebunk Maine and we hit it off immediately....as usual she was all made up and fashionably dressed...she and Angela stood out....I also wear a dress walking the beach....turned out we had the same osteopath in Cape Porpoise and the rest is history....we have been in touch ever since...on the same page spiritually...a beautiful soul...perhaps a victim soul....she knew what it was to 'offer it up'.....she so loved her new church...I will miss our phone calls and emails BUT I will keep in touch with her through the Mystical Body of Christ.

Adele was a beautiful person inside and out. Our mothers were much like cousins and always had love for each other. She was loved and I am sure she is spending time with our Lord and the angels she will relate to.
