“ When I was about 10 and it was Halloween, and my costume was a glamorous lady. I styled myself off of my pretty Aunt Nan. She had such small feet and she let me for my costume wear her wonderful red pumps, which we would call high heels. I think she only wore a size 5 shoe, so I could wear them with pride. I always thought she was such a pretty person with the blond page boy hair and bangs. I will miss her and her laughing smile. Although I did not see her often over the last years, she was certainly loved, thought of often, and will be so missed. Rest In Pease Lovely Aunt Nan--- You are loved. PS- Have a welcome drink with Mom and Liz and tell them we love and miss them too. All of you stay out of trouble. 🙏🏻🐰 love from all the Craig's
