“Bobbie was a client of our office in Rosemont for many years. She would come to our office with her dogs, to pay her auto and homeowners insurance in person. I would take her mail to the post office on my way home from work every time she came. She had lots of things to talk about, one of which was the delivery of her mail not coming on time due to the changes in mail carriers. Bobbie loved wearing her baseball caps all the time. My thoughts and prayers to her family. I am sure she is reunited with her dogs, having fun playing with them. Rest in peace Bobbie.

“Bobbie was a one of a kind woman!!! I loved that she marched to her own drummer . She had a heart of gold and a strong dedication to her students and Bassett hounds! I would often see her at the farmers market at closing time trying bargain with the butcher! I had the privilege of teaching at ithan elementary school with her for 13 years. She was a very special lady! I admired her tenacity . Bless her soul!
