“ I enjoyed working with Austin. On days when I couldn't find my husband or forgot my key code Austin was always there to lend a helping hand. He would joke with me as he helped me locate the office my husband was using on any given day. I will miss his smile and good nature.

“ Austin was a friendly and kindhearted coworker at DCCC. We would discuss our beloved Philly sports teams together and provided each other updates during the USWNT world cup this past summer. He always took the opportunity to get to know people and make them feel welcomed. He will be very missed.

“ *Austin was an incredible human being.
He was an easy friend of anyone who came with good intentions.
But a fierce protector of the ones he loved.
There is a void that no other could fill. Perhaps we needed him
more in spirit to be guarding and watching our children.
I want this to be true and to know that he is with us always.*
