“ *To Lee and Barbara's family we send our condolences and our wish for fond memories to flood your thoughts. Since our Phi Psi reunions began 11 years ago, we have enjoyed Barbara's sparkling presence and thoughtful notes. It was such a surprise and delight to have you join us last year in Washington for our gathering. We know she was dealing with lots of medical issues at the time. The fact that she chose to ignore her pain and discomfort in order to be with all of us was testimony to her spirits and positive attitude.*

We are thinking about you, Lee, and all of your family.
