“ You will never meet a better man than Bernie - there maybe a person as great, but none greater. Bernie was loving, caring and kind. Patient. Knowledgeable and independent in thought. Fun and funny. Trustworthy. Competent. Efficient. He had great balance in his life - he did all things in moderation. He was a high achiever. He was a family man - with a beautiful, loving wife. He had 4 children and 2 grandchildren who are a divine reflection of himself. He was able to see the good in most everyone (except, perhaps the Donald). But if there was good to be found, he would find it. He was fair and honest, wealthy and peaceful in the joy of a life well lived. He was loyal and courageous. He was a man of integrity. He was wise. He gave good advice. He was creative. He leaves a legacy of always encouraging us all to leave things better than we found them. I am so grateful I knew the man.
