“ *I met Beverly in Junior High School and we remained friends through the years. Although we didn't see each other very often due to distance, we kept in touch and saw each other when she visited her son and his family in the Columbus area. And we usually went to our class reunions together. Brian, Doug, and Dana, I will miss your mom.*

“ Many memories were made in the eleven years I worked for Beverly as her office manager, handling much more than piano studio needs. She taught me most of what I know on the computer! We had many discussions and shared many things. I went with her through many of her joys and trials. I know she is enjoying a new beginning in heaven! ....Claudia Joye

*I grew up & was a classmate with Beverly from the beginning through the 12th grade at Middletown High graduating in 1963. While we didn't communicate regularly, we have discussed issues at different times in our lives. She was sincerely nice & cared about people. Beverly was very well thought of by all her classmates. While we will miss her at our 55th reunion this Sept & future ones, she will NOT be forgotten. May she rest in peace.*

*Beverly was always a bright spot wherever she appeared at MHS. She was outgoing, friendly to everyone, always willing to help and pitched right in when able to do so. Musically talented, she was a treasure to MHS choirs and productions. I feel so sad that her star has moved on and left our world a little darker. My heartfelt condolences to Beverly's family and loved ones, who will miss her so much.*
