“Karen, Bill and family: Belated condolences from your former neighbors at 9 Heckamore Avenue -- Andrew, Linda, and George Penney. We only learned of this very sad news recently. We forwarded this news to son George, who lives in Germany with his wife Eva and 7-year-old son Lukas. So Linda, George, and I are living this sorrow anew. Similar to how you all must still feel each new day without dear Bradford. It hurts. We are so sorry for your loss. You may think that after living fulltime here in Bradenton, FL for seven years that life on Heckamore is a distant memory. No it's not. Our 13 years as your neighbors on Heckamore were among our most important and enjoyable years of our lives. And part of the reason for that is that we had Bill and Karen Ash, and your beautiful children, as our neighbors. I've learned that God never gives us more than we can handle in life. When things like this happen, I find my faith is tested. So what I can offer is that may the grace of God be with the entire Ash family each day and may you hold dear to your hearts the love you have for Bradford, and the love Bradford's spirit will always have for you. Please feel this big hug from us. You will never be alone in your sorrow. And you will always be embraced by the people who God put in your life journey; the Penneys are blessed to be included in that group of very fortunate people.

*With love and sincere condolences,
Andrew Penney

“ *Dear Karen and Bill
I can’t express how very sad I am to hear about Bradford. What a
beautiful boy! I still remember all the kids running up the street to
our house. Sal and I would always have a laugh their antics. Maybe
he’s up there with Sal sharing a hot pepper.
I wish I could be there to say goodbye but after an accident, I’m
unable to drive. I’m in Scranton now so that’s harder. Please know
my love and prayers are with all of you at this terrible time and
always.

“ Karen, Bill, Billy, Ashley, Christian and Brenna,
On behalf of the St Margaret CYO I am so sorry for your loss. I had the pleasure of coaching all of your boys at some point and they were all fine young men. On Mar 1 we had a meeting about how and if we can resume football after this crazy year and one of our long time coaches Ed Walker said "if we are going to have a program again we are going to need tough kids like BRAD ASH - who just gave us everything they had without a complaint or question." He then relayed the story of playing St Laurence on Thanksgi ving Eve when we were outmatched and St Laurence had 2 big Running Backs who went on to play D1 football in College-- while most of our kids backed down- Brad never did and kept trying to tackle them. St Laurence's coach came over and said to us " that was the first time those RBs played against somebody who was not afraid of them and I told them - Boys you won today because you were bigger and faster- but neither of you ever played as hard as that young man.. that is the kind of effort and heart you need if you are going to play football in the future."

Please know you and your family will always be in our prayers -
