“ We, the Farrar Family are so very sorry for your loss. May God help you through this time of sorrow.
We be praying for you.
Ben you are such a nice person. We think so much of you, and the time we shared telling each other about our children, we know , that this is hard, we can not imagine how one can get through this pain, however, remember, God will not give you more you can not handle!
Our hearts are with you and the Family.
