“ *Bridgid schearer was like a second mom to me.I met this beautiful lady in 1991 as when I met her beautiful daughter dawn who I met in Delaware county community college.we clicked as friends.I remember when I met mom her smile lit up the room.she was someone to talk to and she would listen.she was funny .she always had a sense of humor.in remember her favorite past time was going to boscovs and getting a new handbag.mom loved handbags.she also loved her soaps.she loved people and people loved her.I remember telling me she knew my grandpop that had a barbershop right in havertown and his he cut the families hair.I knew also her two sons Marty and ray.also since *91 they are good guys.well mom I am going to miss you.your home with god now 😊*

“ *Brigid and Herb were part of our lives for about 10 years and we miss them very much but we know they are together now in peace. 90% of their conversations were about their three loving children and how much they love them. We shared a lot of holidays together and all of the good food that came with the meals. We were so happy to have Brigid visit us in Ocean City Md for a weekend. We got her on the boat for a fishing trip and we put her in the captain's seat and let her drive use around and she was lucky and caught a flounder and that made her day. We will keep these memories for ever. Eric and Sue Doltz*
