“ I think of you everyday. I still don't understand why, but I guess there isn't ever a real reason. I guess I'll never know. I miss you so much, and with each day it gets harder. Harder to breather. Harder to be. I wish you were still here to cry with. You never know how much you love someone until their gone, i guess. People say that all the time, you know, but you never really get it. Not until someone's gone. Thanks for watching out for me. Knowing you're here with me , it helps. love you RIP baby girl###imported-begin##ShelbyMelynn##imported-end##
