“ *My deepest condolences go out to all the friends and family of Charlie at this difficult time. I am grateful that his mind, body, and soul are now truly free, and I know I will see him in the beauty of nature and in the eyes, heart, and soul of our beautiful daughter, Emily. All the joy, love, hope, and promise contained within Charlie, as well as all the perseverance and resilience with which he approached every challenge lives on in the world through her, and through the many family members and friends he touched. To lose one who touched so many is a sad, sad day, but his lasting impact on others, and knowing his spirit is now triumphant and free is a comfort. Rest in peace, Charlie, until we meet again. Love, Donna*
