“ *Pete and family,*

I'm so sorry to hear about Chet. Pete, my heart breaks for you and I wish I could be there to pay my respects. I wanted to be there and I tried but just couldn't get off work. I have such wonderful memories of Chet. Even before I met her I felt like I knew her because of how much Tony talked about his sister. The first time I met her she made me feel so welcome.... like I was a part of the family. I always loved visiting Tony because I also got to see all of you. I was a little skeptical of the hospitality I would receive up north... but this southern girl was impressed. Thank you for putting that misconception to rest :) All of you took me in and made me feel like you had known me forever. I remember going out to dinner and Chet would just start singing with the background music! I loved that about her :) Pete, you and Chet were the coolest couple and I will always cherish my memories and hold you close to my heart. I adored Chetta and will miss her dearly. If you ever find yourself in the swamps of Louisiana... please call me. Take care of yourselves. All my love,
