Debbie touched so many people, how fortunate to have been one of them. We'll all miss her upbeat personality, great sense of humor, infectious laugh and most of all her friendship.

I worked with Debbie at Unisys many years in the payroll dept and she was always cheerful and kind to everyone that met her. I know that she fought a long and hard battle and she will be deeply missed. May God give you both the strength to soften the pain you have in your hearts. We will keep Debbie and the family in our prayers. She will be deeply missed by all. God bless you both and the entire family.

“ Words cannot express the sorrow I feel on the loss of my dear friend. Deb was kind, beautiful, smart and witty. Her charm and laughter lit up the room. I am blessed to have shared nearly 35 years of my life with her. I was there when she saw Bob for the first time. It was love at first sight. She was a dedicated wife, mother, daughter, sister and friend. Bob and Dan, may God soften the pain in your hearts and may it help to know how much she meant to so many people. She will live on in our hearts. Love, Janet & Greg

“ *Bob and Dan, there are no words that I could say that would make you feel better. I was honored and humbled by allowing me to share in this journey. Loved being with her many times and the outings we had on her good days. One time we went to lunch at the Bahama Breeze and there were outside seats. So Deb opens the door and sets off the alarm. It must have taken a good five minutes for someone to fix it! That was good for a laugh. We were thrilled for Deb and Bob to see our vacation house. Deb and I spoke about sitting on the front porch and having our coffee. It wasn't the same this morning to do that. You will always be in our hearts and our soul. I told you many times that you were an incredible lady and I admired you for enduring everything that you had to go through. You were my hero. I am so glad to have you as a friend. You wouldn't let me shave my head when you lost your hair so I got a tattoo for you. And so for you, my friend, this will be the last time you will know that I am signing off with Love, Hugs and Prayers. To Bob and Dan, we send our love and thoughts and prayers.*

“ I worked with Debbie for some 20 years at Sperry Univac. She had a great "spirit" and "happiness" about her and it showed in everything she did. Debbie was different from many people in that she was beautiful both "inside" and "out". Everyone loved Debbie and we were all so very happy when Bob and then Dan came into her life. Although I haven't seen her for many years we did exchange e-mails and updates. She had a strong will to survive but now may she rest in peace. God bless her and her family!

“ We are sadden to learn of Debbie's passing. Think of her when she was young and vacation at the farm. The boys always look forward to seeing her, they had so much fun.  
At our 50th anniv. she and her Mom & Ann helped us celerbrate. It made for us a very special memory..  
When Teagan & Bill where married she and Bob made a trip to attend the celebration.  
How fortunate it was to be with her.  
Think of Jazzy and how much comfort that little companion gave her.  
Deb was so special.  
Thoughts & prayers are with you.

“ Bob and Dan, I have no words that can possibly express how I am feeling at the loss of Debbie. Someone who I considered such a wonderful friend. We had so many great times together in all of the many, many softball and volleyball games that we played together, at work, at parties, planning the softball reunions and just evenings out, not to mention the many, many lunches we used to share at work. I will miss Debbie's laugh and wicked sense of humor most of all. Her courage and her faith during her illness was inspiring. I am so proud to call her my friend. My deepest condolences to you both.

“ *Bob and Dan: I can't imagine how this loss impacts you! Debbie was a very special lady who suffered her illness with the same grace and dignity with which she lived her life. The pews of St. Mark's are less bright now without her smile and warmth. - Pastor Jack A Saarela.*

*Dear Bob and Dan I just found out about Deb's passing. I am so heartbroken. Deb was a wonderful person and friend. I have known both Deb and Bob for thirty five years. I met them both back when I worked at Sperry Unisys and we were on the girls softball team. We all went white water rafting together and had a blast. I was fortunate enough to have known her. I cant say enough about her and proud she put up the fight. That's Deb - a joy to be around and a great friend who will live forever in my heart!! God will embrace her now. May she rest in peace. Love you Deb!!*
