“ Dear Nancy,

Am so sorry for your loss. I remember both your Mom and Dad from college days in New Hampshire with you and enjoyed seeing them both in Darien when I lived there. Your Mom was a super lady. My deepest sympathies, Denny Stetson Creighton, Raleigh, NC.

“ Sending our sympathies from the Lindsey "girls"... Dr and Mrs Brown were special friends of our parents. Our parents certainly had an amazing circle of friends in Darien... like an extended family. They shared many joys and sorrows and were always there to support each other and their children. I know that our parents shared the love of Maine together too.

*With fond memories,
Rejoicing in a life well lived.

“ Too many memories to count both in Darien and Port Clyde. Dottie (Mrs. B) was like a mother to our family. We will miss her very much. Thank you Dottie for making our lives better by being you.

“ It was always such a fun time when we sat down at the dinner table at Dotties in Maine, everything was perfect, the setting, the candles and of course the guests. We were fortunate to have been present for a few of those nights. David made sure everything was done to Dotties satisfaction. She was so gracious and happy when she was able to entertain. We will always treasure our many experiences and memories at Hideaway and Dottie's.
