“ Kristen,

Sorry for your loss!

Your mother is always with you! She's in the whisper of the leaves as you walk down the street, she's your breath in the air on a cold winter's day. She's the sound of the rain that lulls you to sleep. She's the color of the rainbow, she Christmas morning. Your mother lives inside your heart and memories for every!

“ Kimberly, I thank you so much for all the times you brought your mother to meet me for lunch or dinner at Baxters, Peppers, Gillanes, wherever she wanted to go. You were so good to her and have no regrets. I have been in tears for a month over my best friend since 8th grade and miss our almost nightly phone conversations. There were so many people praying for her that she never even knew. She was a beautiful person who always made me laugh. My life will not be the same without her.##imported-begin##Lenore Runkle##imported-end##
