“ Dear Ruth, Kimmie, & Dean,

Craig was such a unique individual that he stood out in any crowd, no matter where he was. No one could help but enjoy his sunny disposition, his hearty laugh, his cheery greetings, or his big-bear hugs. I doubt that there will ever be another like him.

Craig was always so eager to help any one at any time - to make you feel better in his office, to help you lay a new carpet in your first apartment, just to give you a big hug if he thought you weren't feeling 100% when he saw you.

We were all so privileged to enjoy his company and to spend time with him.

Thank you for sharing him with us.

Love,

Puddy##imported-begin##Puddy Knabb##imported-end##

“ We are deeply sorry to hear of Dr. Althouse leaving us so soon, we will always remember him for he was our first chiropractor we knew, My father in law, Walter Wagner, my husband, my self, and my 2 year old daughter Francine in the year of 1967. We are now retired and living in Virginia but when we saw his notice in the Philadelphia paper, I knew we had to write you. We will never forgot how good he was with us, and how he helped us improve our lives. May God keep you and your family in good health and peace.
