“ I know this brief note is long past overdue. But I just found out yesterday about the passing of Rev. Treichel. I grew up in Burholme and was a member of Immanuel Lutheran Church for all of the years of my youth. Rev. Treichel was a man of great character, kind and compassionate, always full of energy, a wonderful friend to my parents, and an inspiration and father figure to me in my youth.

We live in a world where it is so very difficult for young people these days to identify with a person that has touched their lives in a meaningful way and is looked upon as a hero and someone you aspire to emulate and be like when you grow up, Rev, Treichel was all of that to me as a child. He still remains vividly a part of my treasured memories as an adult and will until the day I die. I'm just so very sorry that I wasn't able to express my deepest condolences to the family members in the passing of their husband, father and grand father on a more timely basis.

Sincerely,

Bruce Rangnow (son of Mildred and Alvin (Rags) Rangnow)
