“ My first memory of Ned was his smile and his laugh. Both were genuine, heartwarming, and welcoming. As lover of history, my conversations with Ned were both informative and fascinating. Too think I had the privilege of speaking to a primary source! His selfless love and devotion to his children, grandchildren, and his late wife, Mimi, were inspirational to all that knew him. Lastly, as I found out at Heather 's wedding, no one could pull off wearing a Speedo as well as Ned! 🥰 A life well lived and a golden soul has been welcomed home. God bless.
