March 29, 1917 - June 5, 2014

Dr. Thorogood's graveside service will be private in the family plot at Forest Hills Cemetery, Boston

# Tribute Wall

BW

“ In 1965 Dr Thorogood hired me to travel to Maine & Illinois to harvest the nodules on the root hairs of legumes that she used as a medium for her research at University of Pennsylvania I also visited her parents on occasion too as she was in India setting up a PhD program

*She was a very special person*

*Bill White*

*Professor Emeritus at*

*Hollins University*

KM

“ The Gardner's will miss you very much, hopefully you will see mom and dad again. I wish we had known about your passing. You were a beautiful brilliant lady.
