“ I have wonderful memories of Jeffrey talking about his uncle Fred. Uncle Fred was an example for Jeff in many life situations, Jeffrey really loved his uncle and still loves him there in heaven. They will be reunited soon together, and with other loved ones who left the earthy life earlier.

With love and prayers for the family, Olga White.

“ Joyce and family,
I was so sorry to read of Fred's death in the paper this morning. One of the things I loved about Fred was his spark for learning and his willingness to explore a new point of view. He was kind and unfailingly polite with a glint in his eye that belied a jolly soul. I'm so grateful to have known him and to have shared his journey even briefly.
Love and prayers to all for healing, peace, and happy memories.

One Sunday I asked dad if I had to go to church. He smiled and patiently said, "why no, you don't have to go; you GET to go." Words of wisdom to live by.
