“ Thinking of Gemma's family with heartfelt condolences. So sorry for your tremendous family loss. In addition to your precious memories, may you be strengthened by reading God's word. The resurrection account of Lazarus (John 11:39-44), is one of 9 miracles wherein God used his creative power. May this help you to cope as you look to the future with confidence. God promises, this will happen on a global scale. I hope this comforts you today and always. Sincerely, Denisa Batescoh.
