“ I just found out Clayton passed late last month. I got to know you, Clayton, when we were at Fort Hood, Texas. You were a Chaplain and I was an enlisted Chaplain's Assistant. The troops admired you. I loved your Scotland memorabilia in your office. And that we reconnected via Facebook. One thing I will note: You loved Philadelphia like the fictional Dr. Charles Emerson Winchester III loved Boston. God's rest Clayton.

“ Clayton was a remarkable part of our French Huguenot Society by leading us spiritually and being a grand friend to many. I specifically remember his tales concerning his parents driving "up the hill" in Manayunk, in the depths of winter....in their Model T....but driving backwards to "make the hill". A grand gentleman, indeed. He will be missed.

“ I called Rev. Ames to have prayer. He informed me that he loved the Lord with all his heart. I will never forget that heart felt moment.
