“ *Jill- Diane and I were privileged and honored to have been invited to your wedding. The few times we've seen Brooks since, have only served to reinforce in our minds and hearts how gentle and kind a man he was. Our hearts break with and for you and Matthew, and all the family. We are praying for the Lord's grace, presence, and comfort. We love you, and we have you on our hearts (Philippians 1:7).*

With our love, Lindsay and Diane

“ *I am so sad and shaken for Brooks' wife Jill and his son Matthew, and all his family and friends. I met Brooks a few times at Chester County Republican events and he was a great guy, super friendly and helpful. He worked hard for what he believed in, he was a good and decent man.*

Your loss is a huge loss for so many that knew what a champion he was. All the Sheepdogs send their heartfelt condolences. We weep with you and pray that everyone will know his full story and the Brooks will rest in peace, embraced in the arms of God.

“ *Jill, you will hardly remember my sitting at the same table with you and Brooks at Ryan and Kim's wedding. But I remember distinctly my impression of how amiable and pleasant Brooks was. That impression was only deepened on the few other times I was in his presence. Nancy and I can only imagine the great sense of loss you are feeling and want to extend our deepest sympathy to you and your Matt.*

Love in Christ,

Gene and Nancy

“ *Jill,*
I had the distinct pleasure of meeting your Husband when I was training him to take over my position with Keter Environmental Services. He and I traveled the Northeast Coast together for 3 weeks, even having dinner with his Brother in Virginia Beach. He was a wonderful guy and based on conversations we had and I overheard, he loved you and your Son unconditionally. I deeply regret that I will be on vacation and won't be able to attend the services. Please know that my thoughts and prayers are with you and your Family during this difficult time. God Speed and God Bless!
