“ *Mary Kay --i was so sorry to see of your Mom's passing--my family and i remember her so well--and the nice conversations we had with both your Mom and Dad at any party we were invited to--or anytime we saw them whether it be in a store,etc.-they both stopped to talk to us. Now all of the good memories will begin to come back to you- and your sadness will turn to a smile at something you will remember of them-and help to get you thru this sad time--i am sure your Dad welcomed her with open arms and brought that beautiful smile back to her face--we will keep you in our thiughts and prayers.*
