“ *My Mom taught me:  
It's okay to not offer your opinion,  
Sometimes it's better to listen.  
She was very quiet and meek.  
My Mom always remembered everyone's birthdays and she sent  
picture cards  
She loved pictures, she even took pictures of food.  
Mom took pictures of pictures.  
She was very polite and she taught me to say please and thank  
you.  
My Mom thought friendships were very important and until she  
outlived almost all of her friends, she had many who were close to  
her.  
Most of all my Mom taught me how to be a Mom. I loved her so  
much and I always knew she loved me. She never dominated my  
life but she was always there.  
Love Always,  
Your Baby*
