“ Dear Lisa, dear Chris, dear Isabel!

We were deeply saddened as we've learned that your mom Isabella passed away. Our thoughts are with you and your family for the period of mourning and beyond. You can always count on your family of the other side of the big pond. Personally, I was really glad to get in touch with your mom via email a few years ago. When you both, Lisa and Chris, visited me and my family in Frauenkirchen, we were able to talk a little bit to your mom by phone. Great feeling at that time and still goose bumps when I think about it again. All the things I knew already and you were telling me about your mom in 2014 made me really happy. Now, I can understand the loss of a really beloved and wonderful person.

For the upcoming days and time as well we both wish you strength and power. Let us know if you wanna talk, any time.

Love, Didi, Antje and Raphael

“ We are so very sorry for the loss of Mrs. Beichl!! I have such fond memories of her dating back from when I was little and would come to play with Lisa and dress up in Mrs. Beichl's beautiful gowns. Such fun with Barbera and all the great toys at the Beichls. I remember when we moved and I was heartbroken that my best friend would no longer live down the street from me but my parents promised I would see Lisa regularly. I remember when I would come for the weekend to the Beichls and Mrs. Beichl would take Lisa and me to the store to get whatever goodies we wanted. It was great fun. I remember Mrs Beichl playing the piano and singing, and how she and Dr. Beichl, themselves seniors, would go to play music for folks in nursing homes. Thank you, Mrs. Beichl, for always making me feel so welcome at your home!! May you Rest In Peace!! Lisa, I am humbled and amazed by the great care you took of both of your parents, especially most recently of your dear mom!! You are a loving and compassionate daughter and an example of selfless love!!! Love, Patty McGarvey Knebels
