“ Uncle Firework Jim, I wouldn't be able to truthfully say there has not been one day you haven't crossed my mind. I've learned that you can't eat a pretzel rod and not share the next one with the deer walking over to say hello, popcorn is best cooked over the fire, light the firework and RUN- you don't want to get hurt, your pool towel acts as a fast hair dryer, shoes on the deck! - you don't want to slip and fall! Grape soda is THEE best soda, and most importantly, love unconditionally no matter what. I look for you in the sky every night and I'm never disappointed in the sparkle. <3

“ Jimmy will be remembered by all family and friends for the joyful things he did in life especially how he earned the nick name "Fireworks Jim". The children in the family will especially miss the fireworks in the Poconos.##imported-begin##Anna O'Hora##imported-end##
