“ I would like to offer my condolences to Arnold, Brad, Dana and the rest of the Stewart family. The Stewart's have been a close family friends of the DiGirolamo's going back to when Brad and Vinnie first met in grade school. The relationship grew stronger as Brad and Vinnie ended up playing hockey together and shared younger siblings who were also the same age. Janet was always at every hockey/basketball game cheering Brad and Dana on. My thoughts and prayers go out to the entire Stewart family in your time of sorrow.

“ Janet has been a close friend of ours since our children were in grade school. We were truly saddened when we heard of her passing. There are so many good memories we have of her, but what comes to mind first is the happiness that came to her when she was with her children and family. She was a devoted mother and wife and will be missed terribly but I know her spirit will live on in Dana and Brad and Arnold. She will always be with all of you. Our prayers and thoughts are with all of you.##imported-begin##Vinnie & Cathy DiGirolamo##imported-end##
