“ John has been a close personal friend to Marguerite, myself and family for 50 years.

we have so many memories it is impossible to recall them all. We spent many days on Cape Cod bay beaches and Sanibel Island. He loved to collect shells.

He was the perfect neighbor. IF i needed a 1/2" widget he had it for me. Cookouts and parties. Were always special.

We rooted for Penn State but he was the true fan of the Lions.

When you see PSU shower curtains you know a true fan.

He was the real answer to the term "Family Man".

No one did it better. Just ask John and Bob.

We will miss him and think of him always, but know he is where he wants to be with his love, Barbara.
