“ Hi Rick and Kim and the entire Tonetti family - You may remember me as Robin and Kevin Kimzey's friend from Annapolis, MD. I have spent many good times around you and your kids through the years. I was so heartsick to learn of little Jack's passing. Please know that even from far away, you are in many people's prayers and you have my deepest sympathies. You are blessed with a wonderful family and group of friends who I know will help you through this tremendously difficult time. God Bless and Godspeed, Kelly Rohrer

“ Jack's sly grin, quiet wit, and intelligence really defined him as a person and a student in my classes. We felt his absence last year when he moved, and now it is felt even more profoundly by his friends and teachers here at Welsh Valley. We are so sorry for your loss.

“ To the Tonetti Family:

You don't know me but I was touched when I read Jack's Obituary. He was so young and had only begun his life when he was returned to God. As a mother , who lost her son, at age 29, I know that no words can lift your sorrow and grief. All I can do is offer prayers & condolences for this tragic loss of your son
