“ Terry/John, I am so sorry to hear about your Dad's passing. I have such happy memories talking and bowling with your Dad for many, many years! He always had something nice to say to me. He was a gentleman and always dressed to nice! John you will be missed.

“ John Thomas, Senior was a great man. I only knew him from being with him in a bowling league every week, but that was enough to prove what a wonderful man he was. Whenever I was not performing well, he coached me, inspired me, and gave me the courage to do my best. He would also say something unexpected to make me laugh. Sadly, I lost my own Father about 16 months ago, and in many ways, John reminded me of my Dad. John also had a sweet tooth and a penchant for Reese's peanut butter cups - ironically, my Dad loved them too. He will be missed by everyone, but our lives have all been enriched by his presence. Our Heavenly Father will welcome him with open arms and grant him eternal happiness. I will always love you, John. Thank you for all the happy memories that you will leave in my heart.
