“ I am a colleague of Debbie's. I remember when she gave me Kenneth's resume and told me that he was looking for students he could tutor in math. I recall that I was able to hook him up with a young boy that I knew. The family was so happy with Kenneth and his gifts as a tutor to this boy. I live in South Carolina now, but I just saw Debbie on Friday, October 19th. We had some special hugs. I am so full of sorrow for the whole family. All my love and thoughts,
