“ Dear Sally:

Betty and I were sorry to hear of the death of Larry. I had the pleasure of knowing him when I was a cop and again as a deputy coroner. He was always cheerful and I enjoyed his conversations. I know that he and Doc Fillinger are sharing thoughts in heaven. God Bless you and your family.##imported-begin##Edward P. McDade##imported-end##

“ He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5##imported-begin##Magallon Family##imported-end##

“ Dear Sally and Family:
In the loss of the one who shared your life for 50+ years..if only words could comfort...if only hearts could share the burden of your sorrow, this loss beyond compare...Today, the "ifs" seem endless and certainties so few. But memories last forever...the love that you shared will, too.
I will always remember his smile and carefree attitude in our shared classes at Lower Merion..Class of '54.
Sincerely,
Cecille##imported-begin##Cecille HAYES Bundy##imported-end##
