“ *John and Family:
My sincere sympathy to all of you at this sad time. I will always rememgber Lucille's laugh and cherish the time we spent together working on the CLMA board. She was a great mentor. Smart, funny and visionary. She touched so many people with her kindness and ability to make you feel so at ease. I will miss her tremendously. “ Lucille... strong and courageous with a great smile. As a nurse I am amazed with her fight to live and her lust for life. I pray for just a portion of that strength to live on in each of us. "Aunt Lena" and her mom were both strong and gentle Italian women... she saw that gentle strength, in different combinations at different times, throughout their lives. I can't help but think that is where it started to form.

Lucille's smile is that of her mother, Dolores... it's so genuine, you can barely see their eyes and it always shows their beautiful white teeth.

From a distance, that is how I remember my cousin Lucille... how fortunate I am to have that. I can't imagine what other treasures she left to those of you who were much closer to her. She lives on in each of you. May you live on through her great examples in this life with a hope to meet again later. Hugs of healing to all, cousin Carol###imported-begin##Carol Ceci Gould##imported-end##
