

Luke Anthony Zupicich

August 12, 1971 - January 26, 2022

On Wednesday January 26th, Luke Anthony Zupicich, beloved son, brother, uncle, partner and friend passed away at the age of 50. Luke was born on August 12th, 1971 in Richmond, VA to John Zupicich and Alda Jane (Forsythe). Luke had a passion for spreading joy and beauty through any avenue that allowed him to do so. He was the proud owner of a local Landscaping Design business, Procure landscapes, where he enjoyed sharing that passion with each of his clients and bringing his family into his business vision with his nephews Brian and Terrance.

Luke was the center of his family, orchestrating all holiday gatherings as he much enjoyed being surrounded by family at the dinner table, decorating for any occasion, especially Christmas much like his mother Alda Jane. He was an avid movie goer/watcher and loved catching a good flick with family and friends. He loved the beach and looked forward to his yearly vacation with friends to Rehoboth to unwind. Luke enjoyed singing and dance music, and pretty much anyway he could make someone smile. He also loved to be a part of and sponsor his softball teams and generally anything competitive. He was known for his quick wit, infectious smile and his unlimited compassionate spirit. Luke would give anyone and everyone 2, 3, 4 chances as he was always looking to help anyway that he could. He was a fountain of support and trust, and would do whatever it took to make anyone see their true potential. He was steadfast in putting others ahead of himself.

Luke was preceded in death by his father John, mother Alda and brother John Jr. He is survived by his Brothers Mark and Matt, his sister April, his nieces Erin and Breayna, his nephews Brian, Terrance and Ethan and he was lovingly devoted to his partner Jeff. He leaves behind many friends as he truly touched anyone he met.

“ I met Luke around 1998 in Washington DC. We became close friends and shared a lot of wonderful times. He loved his Mother so much and he would drive down to Richmond a lot to see her and his siblings and friends. I have so many great memories of him and was shocked when I found out he passed away. I want to send my sincere condolences to Jeff. I don't know Jeff but from what I see, Luke and Jeff had a very special loving relationship. I want to send my thoughts and prayers to Luke's family and all the people he touched. I will always hold wonderful memories of Luke and never forget the special man he was.

“ Luke when I first met you I knew you had a huge heart because you accepted the kids and I instantly. You were funny, always had a huge smile, and loved to banter with Noah while playing games, made Morgyn laugh, and always checked in on Mady, Rowyn and Ben since they were a few hours away. You took time to see the kids and truly were a family man. You brought a lot of laughter and fun to the family. You loved the kids and granddaughter unconditionally and as your own. You always included me in family things and I will always be grateful for that. You truly were a selfless person who supported and helped anyone who needed. You had an infectious smile and when Jeff met you all he did was smile. He loved you, the kids loved you, and so did I, my friend. You were family, you were the "bonus" dad and my kids were lucky to have 2 dads. I will be forever grateful for all you were to my family. You meant the world to the kids and Jeff.

To Luke's family- I am very sorry for your loss. Luke was an Awesome person who made my family better.

Jeff- I know your heart is broken but know Luke loved you and you loved him, find comfort in that. It's rare to find the love you had for each other and am very sorry for your loss.

My deepest sympathies to all who knew Luke, he was a special person.

“ We were shocked and saddened to learn this news last night. We only met Luke last year when we needed his expertise at our new house. We liked Luke immediately and appreciated how he looked after every detail in each project. We were especially touched by the kind and thoughtful gift he sent at Christmas. We feel lucky to have know him, if only briefly.

Sending our deepest condolences to Jeff and to all of Luke's family, friends and employees at this incredibly sad time.

“ Luke was an AWESOME guy, that I have known for years. Never seen him not smiling or joking around. You were such a loving guy and never met a stranger and surely never made me feel like a stranger from day 1. He treated me just like I was a little sister as well. It has been years since I have seen him but I still have that same feeling when I hear his name. Matthew, Mark, John, April and Terrance... my thoughts and prayers are certainly with you. He is with Mom now and I know he is happy!
