

Margarita White

July 23, 1939 - May 2, 2017

A celebration of her life is being planned by her family.

Tribute Wall

FF

“ *My heart goes out all of you. Mrs. White was such an inspiration to create, no matter how old or young we were, and, in so doing, has been a model for making this world a better place. Thank you, Mrs. White, and your whole wonderful family continuing this tradition. Freddy (Fredrica Mann Friedman, Ph.D.) I will be back in your school soon again!*
