MARY LOU CLAUSEN

It is with great sadness that the family of Mary Lou Clausen (née Croskey), 96, of Audubon, PA and Boca Raton, FL, announces her peaceful and graceful passing at home on March 21st. She was surrounded by her adoring grandchildren.

Born in Philadelphia, Mary Lou attended Radnor High School and graduated from The Baldwin School, going on to earn a degree from Ogontz Junior College. During WWII she married Gordon S. Clausen and together they formed Bryn Mawr Products, which they later sold to Beatrice Foods. At that time Marylou retired from the business to joyfully welcome a daughter into the world, Julie.

Marylou volunteered at Overbrook School for the Blind and the Jr. Service Board of Wayne for many years. An avid golfer with 5 holes-in-one, she was a long time member of Merion Golf Club, Waynesborough Country Club, and the Boca Raton Resort & Club.

Mary Lou is survived by her three grandchildren, Tracy J. Glass (Elliot), Christopher G. Johnson and Molly R. Boardman, as well as her great grandson, little Gordie Glass, sister-in-law Lizz Croskey, many loving nieces

and nephews, and all of her wonderful friends at Shannondell. She was predeceased by her parents, Ralph S. Croskey and Lucille Stothart, two brothers, Ralph and Tom Croskey, her beloved husband of 62 years, Gordon, and her darling daughter, Julie.

Due to social restrictions, there will not be a service at this time. Her family will plan a celebration of her jazzy life as soon as they are able.

In lieu of flowers, donations can be made to the Susan G. Komen Breast Cancer Foundation.

“ Dear family, I am so saddened to hear of Mary Lou passing. We had many great memories and alot of fun together. She was a truly gracious lady, with never an unkind word from her lips. She was a terrific friend to my Mom and her husband Ted and a great voice of wisdom and guidance to me. All the best to your family. She often told me about her excitement and joy with the new baby!

“ Dear Tracy, Christopher and Molly,
I, too, am deeply saddened to learn of Lou's passing. She was an eloquent lady who enjoyed life despite great loss. She and mom (Kay) were cousins but also great, life-long friends and in each other's weddings. I feel as if I have lost a piece of mother with Lou's passing. I can still hear Lou's voice on a recorded message she left me. You were blessed to have her in your life and I am sure her passing leaves a huge hole in your hearts. Thinking of you.

“ *Dear Family,*

We are deeply saddened to hear of Mary Lou's recent passing. Your grandmother was first cousins with our grandmother/mother-in-law on the Croskey side. We had the honor of spending time with Mary Lou at Grammie's gatherings over the years. She was a lovely, lively lady with class and a strong sense of family. We will always be grateful for the way she kept in touch after Grammie died. Sending you the comfort of warm memories.
