“ *I met Matt in San Francisco when we both worked at UBOC. Matt was a unique personality as he stood out from the rest for his great sense of humor and at the same time very committed to his undertakings. We met again in Philadelphia and it was nice to spend time with him and Kiyomi. Matt loved his move away from California and was happy to be closer to his family. We were so proud of the professional and personal life he built. We will miss him dearly. Ashish and Josephine*

“ *Matt was such a great musician. We played very complicated music and Matt would work so hard to perfect and perform what we were trying to accomplish. He was a great inspiration. I will think of him every day. RIP Matt. I will miss you.*

“ *I worked with Matt at Wachovia for almost six years. He was a great guy and we shared a lot of good times and laughs together. They say only the Good Die Young, and that is the truth. There will be a void in the hearts of everyone's lives that Matt touched. I will miss you terribly my "buddy". Matt is an angel in heaven and I know he will be watching over his family and all his friends. My deepest sympathies to Matt's wife and his family. Dianna DeRose*
