“ *The loss of one of gods children is a small reminder of how precious life is. Although she had a rough demon on her shoulder she still held her head up high and always greeted ya with a hello. She may not be here to say hi but she will always be with us smile n.To all her family n friends my prayers are with you all .*

“Michelle, you were my first friend when I moved to Clifton. Then you became more than my best friend, you were like my sister. I'm at such a loss for words. I'm gonna miss all the great times we shared. I love you forever girl. This really breaks my heart.
