“ *To the Family of Ms. Mildred Wurth King:*

I would like to express my condolences to you for the loss of your mother, sister and grandmother, Ms. Mildred King.

When our loved ones die, we may ask ourselves, "Will we ever see them again?" The Bible teaches us that there is hope for those who have died, including Ms. King. Jesus made a promise at John 5:28 that someday all those in their common graves will be resurrected, or brought back to life, to live again on earth. This is a promise that we should all look forward to being fulfilled.

I hope this has provided some hope and comfort for you during this time in your life. Once again, I express my deepest sympathy.##imported-begin##Francine Smith##imported-end##
