“ To the Family of Bob Toland, as we knew him as from working at SCI-Graterford Prison, I first met him as a rookie officer in 1977 and he taught me the ropes and a lot of life lessons in prison life, we spent as much or more time in jail than the convicts, he was a very loyal true blue irishmen, i guy i could count on in bad times and good times, we spent a lot of time hanging out after the 2-10 shift, and on social outings, Union Meetings, St. Paddy's Day in Philly and going to IRA Events protesting, and yes, we were there when the Queen Mary 2 docked in Philly proudly hitting her with eggs, and dodging the Philly Cops eluding arrest, lol, he will be sadlyey missed by me Tom Deloughery, my Wife Marianne, and buy Bob's God Daughter Daughter Colleen Marie Deloughery (Zerr).

God Bless you all, Gods Speed Bob Tolan and may you be in Heaven a half hour before the Devil knows your dead, up the IRA##imported-begin##Tom (RED Dog) Deloughery##imported-end##
