“ *My high school buddy Phil, gone way too soon. Loved his laugh and zest for life. He got us on “Cheers “ as extras and we had a blast filming with his sister Jen and husband and went out with the crew after. So many fun times over the years. My prayers to the Heistands. May he rest in peace.*

“ *I knew Phil as a coach and friend of the family. Phil was an outstanding quarterback who was one of the finest passers I ever coached. Besides football, Phil had a tremendous personality full of wit. He was loved and respected by all who were acquainted with him. His death saddens me greatly and my condolences goes out to the entire family. Phil, you will be sorely missed.*

I will always think of Phil as such a kind, gentle soul that always tried to make others feel comfortable. When I first met Phil as a teenager, his warmth and acceptance was impressive for a young man... he welcomed me with open arms to the Hiestand family. I am so very sad and I will miss his compassionate spirit.
