“ *Bernadette and family, we are so terribly upset to hear this news of Rich's passing. We can't even imagine what you are going through right now. Please know that you are constantly in our thoughts and prayers. We have crossed paths with many family and friends over the years and Rich was one of the best of them. My mother didn't always like my friends but my entire family loved Richard. We'll be in touch but please, if there is anything we can do now or in the future don't ever hesitate to ask as we'll be there.*
