“In memory of Robert Tomarelli. Your family has been friends with my children Laura ad Jenna for along time. They have supported each other through thick and thin. Our family offers love, thought, prayers and support. We have enjoyed times that have been spent together. I hope we can help in anyway. The Beaver-Trimbath-Russell family

“ *Dear Ginger, Bobby and April,*

*We are so sad at your loss of your husband and father. He was a very good man. I enjoyed sitting in your kitchen drinking coffee and talking politics with him, and Hugh and I enjoyed listening to the Newspaper Taxis with him. We hoped to have more times like that. May your beautiful memories of your lives together give you some comfort during this difficult time.*

*Love you very much,  
Joan and Hugh Ward*
