

Sally Watson Castle

September 18, 1933 - April 30, 2023

Sally Watson Castle passed away peacefully on April 30th in her home in Hobe Sound, Florida. She was 89 years old and was surrounded by friends and family when she passed. Sally graduated from the Shipley School in Bryn Mawr, PA and then continued to Mary Washington College where she finished with a BA in Economics. She later attended Radcliffe Business School in Cambridge, MA where she received her MBA. Sally pursued a career at The Federal Reserve Bank in New York City, until she met her future husband, Joseph L. Castle. Sally and Joe married a year later.

Together they had three children, Sallie, Joe, and Kathryn and lived in Gladwyne, PA. for most of their lives. In 1980 they became founding members at Loblolly Bay club (later a golf course was built) in Hobe Sound, Florida. Aside from raising her children, Sally was very involved in volunteer work. She gave her time to helping at the Crisis Center, Call for Action, and teaching at The Bryn Mawr Presbyterian Church Sunday school where she was a member for over 60 years. She served on the Board at the Buck Lane Daycare Center, was a Director of Main Line Health and The Mann Music Center. She also served as a trustee of The Shipley School.

Sally Castle was the person who showed up when someone was in need, often unbeknownst to others. She liked to be unpredictable and confident in her opinions. Sally was a quick read of people, and always ready to share her insights with her husband and was often right. This, naturally, was a tremendous asset to the boards she served on and was just a small aspect of

her dynamic and strong personality. Sally loved playing squash, tennis, golf, and bridge. Her passion was traveling the world and she always did it dancing. She was predeceased by her husband, Joseph L. Castle, and is survived by her sisters Jane and Polly along with her three children Sallie, Joseph, Kathryn and her eight grandchildren.

A memorial service will be held to celebrate Sally's life on September 8th at 11:00am at the Bryn Mawr Presbyterian Church.

In lieu of flowers, contributions may be made in her memory to SquashSmarts, 3890 N 10th Street, Philadelphia, Pa 19140
