“ *I remember Ethel from my days as organist at Gladwyne UMC. I last saw her when I visited the church last year. I was looking forward to seeing her again at the closing service at Gladwyne this past Sunday. She was a wonderful lady.##imported-begin##Jeff Shaul##imported-end##*

“ *Ashwell Family,  
I'm sorry to read about the loss of you loved one Sarah. Death is like that thief that takes away our loved ones. Or due to old age and sickness, we loose that precious quality of life that leads to death. The bible always offer comfort in times like this. Please when you get a few minutes, read in your bible Psalm 37:19 & Rev.21:3,4. I'm sure you will find comfort from these verses.  
My Sincere Condolences & Prayers

“ Aunt Ethel was a wonderful person. She will be greatly missed. She came to visit her nephew Richard (Chip) (my husband) when he was dying of cancer and she attended the funeral. She had the best recipe for sugar cookies in the world. I have many fond memories of her and Uncle Frank. My heart aches today for her loss. I would love to hear from her grandchildren if they choose to email me. I wanted to send a sympathy card but have no idea where they all live now. She was a strong lady who lived a long life that touched many people. I am deeply sorry she is gone.##imported-begin##Joan Jones##imported-end##
