Scott D. Possiel

June 21, 1954 - April 15, 2023

Scott grew up in North Bergen with his two siblings, Gregg and Linda and countless mischief - making friends. He attended North Bergen High School where he met the love of his life, Joan (nee Halliday) and her family including her four siblings. The high school sweethearts maintained their love even when Scott went on to study Biology at College in Kansas. During his studies Scott took an hourly job at United Parcel Service that became a 30-year career.

With a solid job and degree under his feet, practical Scott proposed to his sweetheart, and they married in 1975. The two built a life in Mount Olive, NJ, where they raised their two daughters Janel Lee and Lauren Marie. Scott loved living in North Jersey where he was close to many lakes where he could practice his hobby of catch and release fishing.

Scott's dedication to work allowed him to enjoy an early retirement, which enabled him to travel the world with Joan by his side. Their travels eventually landed them in Philadelphia to be closest to Scott's final blessing his granddaughter, Sloane Olivia Yoppi in 2012.

Scott will be remembered for his warm, welcoming smile, and his unbelievable

love for Joan, who he leaves behind after 55 years. In addition, he is survived by his mother (Norma) of Port St Lucie, brother Gregg (Elizabeth), sister Linda, precious daughters Janel (Eric Dinkel) of Denver Colorado, Lauren (Jonathan Yoppi) of Wynnewood, Pa; granddaughter Sloane and many beloved nieces and nephews across the East Coast.

All who loved Scott are welcome at his memorial service to be held at the Lutheran Church of the Holy Communion (2110 Chestnut, Philadelphia) on April 27, 2023 with visitation from 10am-11am followed by a service at 11:15am.

In lieu of flowers please consider a donation to the church where Joan and Scott are proud members. The family asks that you continue Scott's legacy by showing kindness and becoming blessings yourselves.

“ So very sad to hear the news of our friend Mr. Scott being call home to God. Linda and I meet Joan and Scott, while living in Budd Lake.NJ so many years ago 1978, Linda first meet Joan and they became friends, Mr Scott didnt want to get together because we had Three boys(animals) and they had two little girls, Joan made it happen and we have remained friends for all these years, staying in touch and when we got together it was like we picked up right were we left off. We have watched and witness Joan the caregiving handle each challenge with grace and strength taking care of her man till God called him home. Now we all must be their for her, not just today but till we get called home. Possiel family the Williams Family love you, care about you and will always be just a phone call away if you need us.
